

WELCOME TO ANNUNCIATION BVM

Thank you for your interest in our school! We are delighted to share the wonderful opportunities Annunciation BVM Catholic School has to offer your family. We hope after you have learned more about our traditions, faith formation, strong academic curriculum, and variety of activities, that you will initiate the application process as the first step toward your child attending Annunciation.

The entire Annunciation community takes pride in our close-knit school culture with deeply supportive and highly engaged parents, students, faculty, staff, and administration. We invite you to become a member of the Viking family and actively participate in the spiritual and academic growth of our children helping to inspire our students to follow Christ's example and approach the world with a servant's heart, while striving for academic excellence.

Sincerely,

Lorelei Keltner, Principal
